**Subject:** Re: Request 2025-FSA-04691-F - Bocinsky - Final Response

Hi Hani,

Thank you again for processing this request. I've gone through the data carefully and found a handful of records that have duplicated entries with no clear indication of which entry is the accurate one. Please see the attached CSV. Would you be able to help me identify which of these entries are the correct ones? They seem limited to New Mexico in 2011 and

Oregon in 2016. There are 30 entries in total.

Thank you!

Cheers,  
Kyle
